EXPERIENCE

2019 - 2019

IT'S A WRAP | GRAPHIC DESIGNER

Managed graphics pipeline, including concepting, printing, laminating, trimming and the installation of materials. Worked with clients in conceptualizing and creating advertising materials for print and for vinyl vehicle wrap installations. Maintained workshop supplies and communicated with vendors to order materials.

2016 - 2018

THREAT TEC | JUNIOR DESIGNER / EDITOR

Worked as a 3D generalist, creating large-scale 3D environments from satellite imagery, buildings 3D assets, and creating in-game visual effects for VR games. Editor on machinimated videos; storyboarding/planning, capturing footage, and animation of 2D battle maps.

2014 - 2014

LACHINA CREATIVE | 2D ANIMATOR / 3D ARTIST

Created 2D whiteboard-style explainer videos for use in textbook supplements, as well as 3D scientific illustrations and diagrams for use in educational textbooks.

2013 - 2014

PRECISION GRAPHICS | INTERN / 3D MODELER

Responsible for translating 2D scientific illustrations to 3D and rendering according to project guidelines. Used chemistry software and worked closely with illustrators to accurately recreate molecular structures and scientific diagrams for use in educational textbooks.

2011 - 2012

PARKLAND COLLEGE | TEACHING ASSISTANT - DIGITAL MEDIA

Assisted faculty members with classroom instruction and critiques, as well as provided extra hands-on help for students.
